														positions for SFY-16 that have gone unfilled due
														to difficulty recruiting qualified applicants.
													Sean/Mark	Positions impacts two Budget Analyst that provide
													reviewing impact	support to program areas to appropriately
														manage grant, revolving, contract and states
														funds for critical programs within OSDH. Two
														positions in reconciliation services and four
														Accounting Technician positions which process
														daily transactions for Financial Services. The
														reduction will impact 8 critical positions that will
														need to be filled for SFY-17 to meet the demands
														of Financial Services to process financial and
														adminstrative documents at the state and federal
														level. This is a one time cut due to the inability to
														fill these critical positions for this fiscal year.
														Service area is reviewing systems and workflow to
														· .
														develop efficiencies for SFY-17 to reduce the
														number of FTE needed to process financial
														transactions for OSDH.

FQHC STARTUPS	\$	319,531.00	\$	-	\$	-	\$	-	\$	319,531.00	\$	(319,531.00)		A complete reduction in funds (\$319,531) to the
														FQHC Startup Fund would prevent the OSDH from
														contracting and assisting with the expansion of
														FQHCs in Oklahoma communities, such as
														contracts for community needs assessment,
														strategic planning, community development,
														grant application development, and/or additional
														technical assistance regarding FQHC startup and
														development. Because FQHCs are safety-net
														primary care providers and offer a sliding fee scale
														for low-income uninsured patients, the reduction
														in funds to the FQHC Startup Fund impacts more
														than 360,000 low-income (below 200% of FPL)
														uninsured citizens in Oklahoma. Note: OSDH's
														ability to disburse these funds for the intended
														legislative purpose is dependent on HRSA New
														Access Funding Announcements.
